§ 22.4 Information collection requirements.

(a) The Office of Management and Budget approved the information collection requirements contained in this part 22 under 44 U.S.C. 3507 and assigned OMB Control Number 1018–0022. The Service may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB control number. We are collecting this information to provide information necessary to evaluate permit applications. We will use this information to review permit applications and make decisions, according to criteria established in the Bald and Golden Eagle Protection Act and its regulations, on the issuance, suspension, revocation, or denial of permits. You must respond to obtain or retain a permit.

(b) We estimate the public reporting burden for these reporting requirements to vary from 1 to 4 hours per response, with an average of 1 hour per response, including time for reviewing instructions, gathering and maintaining data, and completing and reviewing the forms. Direct comments regarding the burden estimate or any other aspect of these reporting requirements to the Service Information Collection Control Officer, MS–222 ARLSQ, U.S. Fish and Wildlife Service, Washington, DC 20240, or the Office of Management and Budget, Paperwork Reduction Project (1018–0022), Washington, DC 20603.

Subpart B—General Requirements

§ 22.11 General permit requirements.

No person shall take, possess, or transport any bald eagle (*Haliaeetus leucocephalus*) or any golden eagle

(*Aquilachrysaetos*), or the parts, nests, or eggs of such birds except as may be permitted under the terms of a valid permit issued pursuant to the provisions of this part and part 13 and under § 21.22 (banding or marking permits), or under a depredation order issued under subpart D of this part.

§ 22.12 General restrictions.

No person shall sell, purchase, barter, trade, or offer for sale, purchase, barter, or trade, export or import, at any time or in any manner, any bald eagle (*Haliaeetus leucocephalus*), or any golden eagle (*Aquila chrysaetos*), or the parts, nests, or eggs of such birds, and no permit will be issued to authorize such acts.

Subpart C—Eagle Permits

§ 22.21 Permits for scientific or exhibition purposes.

The Director may, upon receipt of an application and in accordance with the issuance criteria of this section, issue a permit authorizing taking, possession, or transportation of bald eagles or golden eagles, or their parts, nests, or eggs for the scientific or exhibition purposes of public museums, public scientific societies, or public zoological parks.

(a) *Application* procedures. Submit applications for permits to take, possess, or transport bald or golden eagles, their parts, nests or eggs for scientific or exhibition purposes to the appropriate Regional Director (Attention: Migratory bird permit office). You can find addresses for the Regional Directors in 50 CFR 2.2. Each application must contain the general information and certification required in § 13.12(a) of this subchapter, and the following additional information:

(1) Species of eagle and number of such birds, nests, or eggs proposed to be taken, possessed, or transported;

(2) Specific locality in which taking is proposed, if any;

(3) Method taking proposed, if any;

(4) If not taken, the source of eagles and other circumstances surrounding the proposed acquisition or transportation;

(5) Name and address of the public museum, public scientific societies, or
